Silver Trailblazers is a new service from Wandsworth Community Transport for the over 60's. The aim of the service is to give information, advice and support to people with their transport needs with the objective of helping people get out and about and retain their independence.

- **INFORMATION ABOUT DIFFERENT KINDS OF TRANSPORT.** There are many ways to get out and about and Silver Trailblazers can help you decide the best ones for you. The different options include: bus, train, tram, underground, mini-bus, taxicard, dial-a-ride and motorised wheelchair, with more coming along all the time.
- **SOMEONE TO HELP YOU ON YOUR FIRST TRIPS.** We have helpers that can come with you and guide you through your first journey on the different transport. The 'buddy' will come to your home and show you how the service works. You may have someone you know, a friend or family member, who would like to be your 'buddy', if you prefer.
- **SHOPMOBILITY SUPERMARKET TRANSPORT AND ASSISTANCE.** Shopmobility picks up people with mobility problems and takes them to and from Sainsburys supermarket in Wandsworth. The service can also provide you with someone to accompany you around the supermarket, if you wish.
- **HOME VISITS TO HELP YOU WITH FORMS OR INFORMATION.** Some of the services have registration forms, we can help you complete these. We can also get you answers to any questions you may have about the transport service.
